

Health and Safety Policy Statement

Preformed Windings Ltd is committed to:

Establishing and implementing an effective Health and Safety Management System to manage the risks associated with our premises, site operations and activities through the framework of BS OHSAS 18001.

Regularly monitoring our performance and revise our Health and Safety Management System as necessary to ensure we achieve our objective of continual improvement.

Providing sufficient resources to meet the requirements of current Health and Safety legislation and aim to achieve standards of 'Good Practice' applicable to our activities and to which the organisation subscribes to prevent injury and ill health.

Actively promote a positive Health and Safety culture, encouraging staff to identify and report hazards so that we all contribute to creating and maintaining a safe working environment.

Communicate and consult with our staff to enable all issues affecting their health and safety and, in doing so, bring this policy to their attention.

Provide adequate training for our staff to enable them to work safely and effectively, and to ensure they are competent and confident in the work they carry out.

Carry out and regularly review risk assessments to identify hazards and existing control measures. We will prioritise, plan and complete any corrective actions required to reduce risk to an acceptable level.

Maintain our premises, site operations and work equipment to a standard that ensures that risks are effectively managed.

Ensure that Health and Safety responsibilities are allocated, understood, monitored and fulfilled.

It is the duty of all of us when at work;

- To take reasonable care of our own safety
- To take reasonable care of the safety of others who may be affected by what we do or fail to do
- To co-operate so that we can all comply with our legal duties
- In the interests of Health and Safety, to ensure we do not interfere with or misuse anything provided

Ricky Guest
General Manager

Preformed Windings Limited
